

FIRST SPOUSE SERIES

ONE-HALF OUNCE PROOF AND UNCIRCULATED COINS

HIGHLY COLLECTABLE SERIES

American First Ladies are now honored with First Spouse Gold Coins, which are one-half ounce, 24 karat pure gold coins minted in collector proof and uncirculated versions. This series of gold coins introduced in 2007 and set to last until 2016 compliment and are released on the same schedule as the US Mint Presidential \$1 program which honors past Presidents at a rate of four gold coins each year.

THE FIRST SPOUSE GOLD COINS PROGRAM

The program is the first to feature women in a consecutive series of legal tender coins. The series of gold coins is authorized through the Presidential \$1 Coin Act of 2005, which was signed into law (Public Law 109-145) on Dec. 22, 2005 by President George Bush. It calls for the following coin specifications:

- A \$10 denomination
- The same diameter as the \$1 coins
- Issued as counterparts and during the same period as the circulating Presidential \$1 coins

There are two cases where a President has had more than one wife during service and two coins are issued, like John Tyler. Tyler's first wife Letitia died during his second year in office. Tyler later married Julia while still President. Under the program, both Letitia and Julia First Spouse Coins were produced.

MARTHA WASHINGTON 2007

I am still determined to be cheerful and happy, in whatever situation I may be; for I have also learned from experience that the greater part of our happiness or misery depends upon our dispositions, and not upon our circumstances.”

The United States Mint jointly launched the Martha Washington First Spouse Gold Coins with Abigail Adams First Spouse coins on June 19, 2007. They were the first in a new series to honor American First Ladies with one-half ounce \$10 coins struck in 24-karat gold and minted in proof and uncirculated versions. Demand for each coin was exceptionally strong. The US Mint issue price for the proof version was \$429.95. The uncirculated sold for \$410.95.

Despite a mintage of 40,000 and a household limit of five for each option, the gold coins sold out within hours. They are currently selling in the secondary market for substantially more than what buyers first paid.

The Obverse of Martha's First Spouse Gold Coin was designed and sculpted by Joseph Menna, and shows a regal portrait of her. The Reverse designed by Susan Gamble and sculpted by Don Everhart illustrates her sewing a button on George's military uniform.
